MEMBERSHIP DUES FOR 2010

of Utility Meters/Connections* _____ X \$224 per 1,000 meters = \$ _____

Utility Gross Revenue** _____ X \$275 per \$1,000,000 = \$ _____

+ base rate of \$280 + \$ 280.00

= \$ _____ ***

* Number of Utility Meters/Connections should be the TOTAL number of electric, gas and water meters and wastewater connections used to serve retail customers.

** Utility Gross Revenue is the TOTAL revenue from all electric, gas, water and wastewater operations.

*** For dues over \$20,000 the amount over \$20,000 is calculated at 1/2 the rate
