CLIMBING SCHOOL

Photo of training held at Lebanon, MO

Dates: April 28-30, 2010

Cost: \$425 per person

(\$475 for non MPUA Members)

Location: St. James Utilities
1116 W. Springfield St.
St. James, MO

**Lunch & lodging are not included
in the registration fee.**

**Registration Deadline:
April 14, 2010**

This 3 day in-depth training targets beginning climbers and any Lineworker who has not attended an intensive training school.

Topics that will be covered include:

- Care and Inspection of Climbing Gear
- Pole Inspection
- Climbing with Fall Arrest Equipment
- Climbing Hazards

By the end of the course, participants will have the skills necessary to climb poles safely and with confidence.

Your Instructor: Training is provided by MPUA Electrical Training Director Mike Conyers. Mike has a long career of utility experience, including seventeen years of service as a Lineworker for the City of Columbia, Missouri Water & Light Dept and as the instructor for the MPUA Lineworker Apprentice Program.

Among Mike's multiple credentials is certification in both Pole Top and Bucket Rescue from the nationally recognized MMUA Safety Program. Mike has been a judge at the APPA Lineman's Rodeo and has served as Chair of the APPA Safety Committee. Mike is a graduate of the Northwest Iowa Community College Powerline Installation Program.
